

Clues

From the album *Passion, Pleasure, & Pain*, written by Gary Lee Vincent, BMI

(Slowly)

Line 1: I see your perfume on the dresser
I see the note left on the wall
I hear the sound of your footsteps
As they echo in the hall

And I look out across the memories
But the memories just aren't you
So I standing here looking for clues

Chorus: Clues – tearing me apart, ripping at my heart
What am I supposed to do?
Clues – leading me away, leading me astray
From a love that's true

Baby I'm just trying to find what is was I left behind
And what it was that led me away from you
So I'm standing here looking for clues

Line 2: I remember what you told me
Before you said goodbye
It's not that I don't love you
It's not that we didn't try

You see, I need some time to find myself
And the love that we once knew
And when I find it I'll give you a clue

Repeat Chorus
